

ITIL 4 Leader: Digital and IT Strategy Training

ITIL (PeopleCert) Authorized Training · Applied Technology Academy

The course explores the use of the ITIL framework to support organizations in their digital transformation journey by providing a structured and flexible approach for addressing service management challenges and utilizing the potential of modern technology to get the most value from digital technology. It also adds a new perspective to the ITIL suite and elevates the discussion around ITIL concepts into strategic levels among companies and business leaders.

- **Module 46: Course Summary**

Intended Audience

The Digital and IT Strategy (DITS) Course can be taken if you have:

- Taken and completed the ITIL 4 Foundation Certification

- Taken and completed the ITIL 4 Managing Professional Certification

Please note that if you are ITIL 4 Managing Professional Certified, completing this course, the 4 case studies and successfully passing the PeopleCert DITS Exam will give you DITS Certification and the ITIL 4 Strategic Leader Designation. If you come to this course from the ITIL 4 Foundation Certification, then you will need to take this course and the ITIL 4 Strategic Leader Direct, Plan and Improve Course in addition to this course to achieve the ITIL 4 Strategic Leader Designation.

Prerequisites

- Some level of work experience in IT service support or IT service delivery is highly recommended.
- ITIL 4 Foundation

Follow-On Courses

- ITIL 4 Managing Professional
- Specialist: Create, Deliver & Support
- Managing Professional Transition
- Specialist: High Velocity IT Training
- Specialist: Drive Stakeholder Value
